Exams Results – Summer 2025

Just a reminder that exam results may be collected from the Hall between 9:00am and 11:00am on results days, as follows:

Thursday 14th August – A Level, AS Level and Level 3 BTEC Results

Thursday 21st August – GCSE and Level 2 BTEC Results

Results are the property of the candidate and, as such, **must not** be handed out to a third party without the candidate's permission. If students would like someone else to collect results on their behalf, consent forms are available from Reception. **Please remember that all third parties collecting results must bring a suitable form of ID with them on results day, and examples are given on the form.**

Alternatively a stamped, self-addressed envelope may be left at reception and results will be posted. Please ensure the student's current year and form group is written in the top left-hand corner to assist with sorting into year groups

Members of staff will be available on results days, to provide advice and assistance with any questions or concerns. In the meantime, if you have any questions, please do not hesitate to contact the Exams Team.

Certificates will be available to collect from November onwards.

Mobile Phones

ALL

As you are aware, we ask that all students keep their mobile phones switched off and in their bag at all times. This school rule not only reduces distractions in lessons but also helps us to reduce incidents of unkindness amongst pupils and the harmful effects that online technology is having on young people.

If you would like to find out more about the harm that smartphones have on young people, please visit www.smartphonefreechildhood.org.

Once there, I urge all parents and carers to 'SIGN THE PACT'.

Gosford Hill School presents... We Will Rock You!

This year's inevitably spectacular production tells the story of a scary, wildly dystopian future where rock music is outlawed and everything and everyone is controlled by the delightfully evil Killer Queen, ruthless leader of the Globalsoft Corporation who controls the world under a totalitarian regime. Enter The Bohemians [stage left] a group of rebels, ready to fight to the death - with their finely tuned vocal cords - against this oppressive system, seeking to reclaim their individuality and restore the enduring, infinite power of rock music. They are led by the irrepressible Galileo, our young hero who hears the lyrics of lost rock songs in his tortured dreams.

ALL

Along the way, you will encounter a cast of characters projecting charisma and commitment in spades: Scaramouche, Commander Khashoggi, Oz & Brit, Meat Loaf [mmm, tasty!] and Britney [one time, one more time!]. Survival is the key if this band of brothers and sisters are to resist the diseased power and corruption that surrounds and seeks to engulf them at every corner.

Will they succeed, can they do the fandango, find somebody to love after all, hope that another one of the Queen's henchmen bites the dust, all whilst waiting for the hammer to fall? Find out by breaking free from your own TV and rushing headlong into the radiant, multi-coloured world of music, dancing, outrageously loud make-up, costumes and some VERY high notes. Be there, like the future of the fabric of YOUR very world depends on it!

Performance dates: Wednesday 9th to Friday 11th July 2025

Time: 7:00pm (Doors open at 6:30pm)

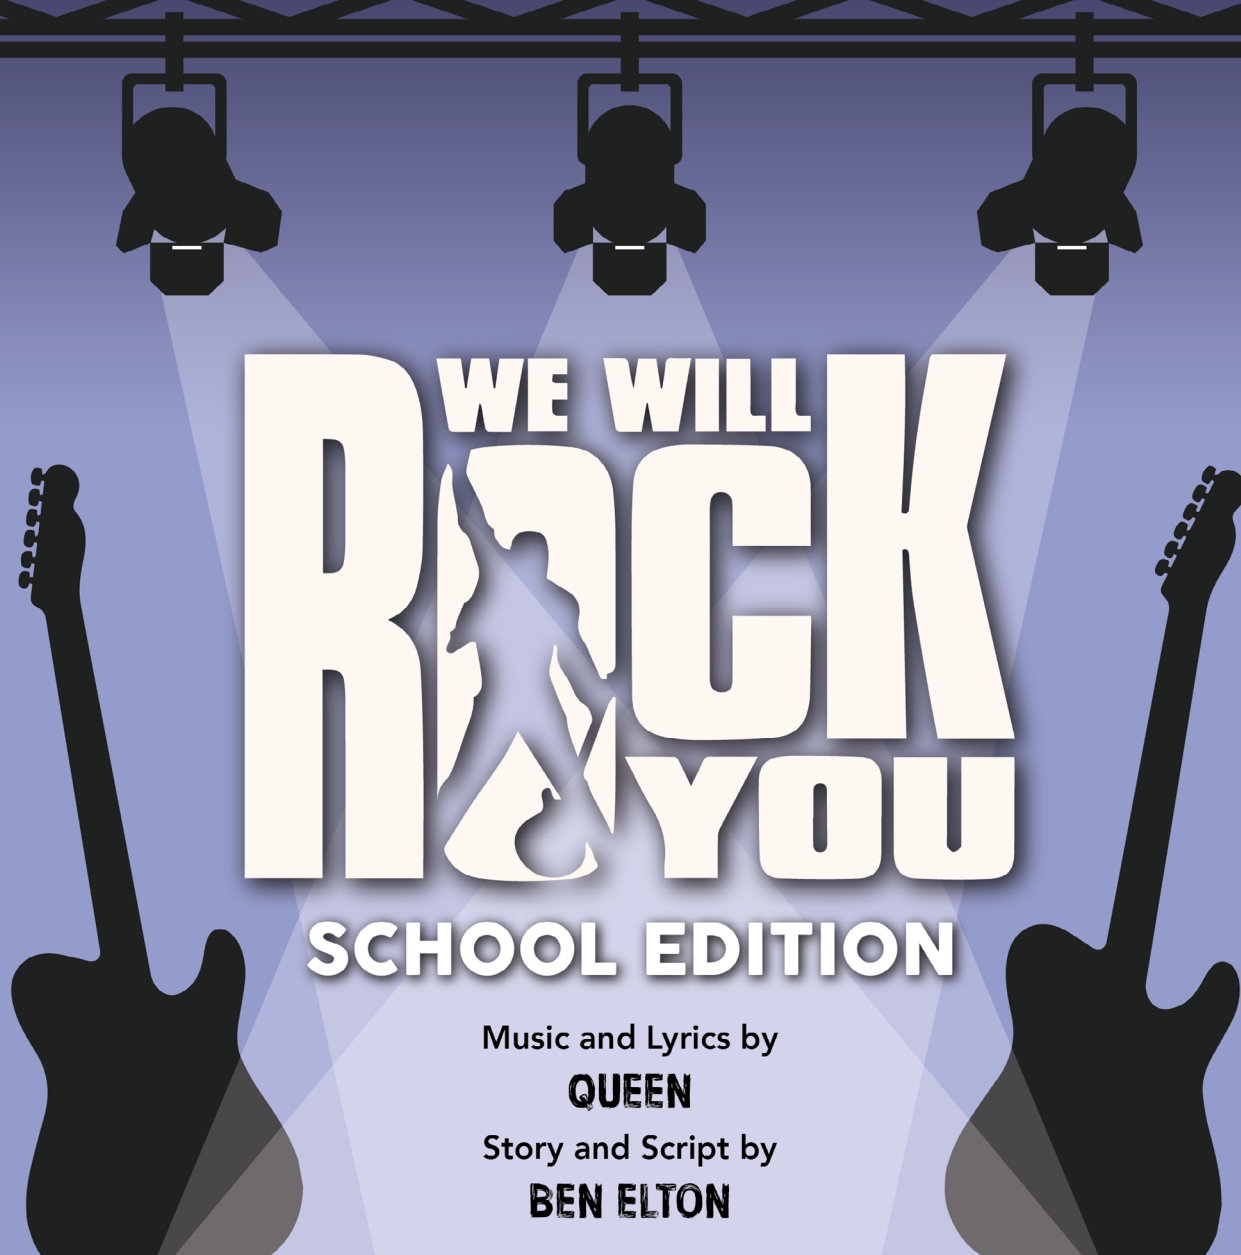

Tickets for 'We Will Rock You' are on sale now and are available to purchase online...

Online events especially for parents & carers interested in finding out more about university in general and the University of Oxford

The Access Team at Trinity College, University of Oxford, are offering two online sessions for parents and carers in July 2024. Please feel free to book tickets to attend one or both of the following sessions:

Session 1 For Families - a guide to university
Monday the 7 July at 6 - 7:15pm with live Q&A until 7:30pm

This session will be of interest to parents and carers of students in Years 10, 11 and 12 and will be particularly useful for those who did not attend university themselves or who feel they would appreciate updated university information and guidance.

In the session, we will focus on effective ways parents and carers can support their child's progression to higher education. We aim to build confidence and knowledge about what a parent and carer's role is in the process of a university application and to clarify the benefits and costs of going to university. We will also touch on some aspects of the University of Oxford.

There will also be a live Q&A with some current undergraduate students who'll share some of their own experiences and answer any questions parents and carers may like to ask.

Session 2 For Families - a guide to the University of Oxford and the application process
Thursday the 10 July at 6 - 7:15pm with optional live Q&A until 7:30pm

This session will be of interest to parents and carers of students in Years 10, 11 and 12 and is particularly useful for those wanting to hear specifically about the University of Oxford and the application process.

In this session, we will also focus on effective ways parents and carers can support their child, should they decide to apply to the University of Oxford in the future. We aim to build confidence and knowledge about what a parent and carer's role is in the process of a university application and to clarify the benefits and costs of going to the University of Oxford.

There will also be a live Q&A with some current undergraduate students who'll share some of their own experiences and answer any questions parents and carers may like to ask.

Please go to our registration form to book both or your preferred option – click [HERE](#)

* Please note this exclusive event is intended for parents/carers of children in [state](#) secondary schools only.
**Bookings accepted up to 5pm, two days prior to each event
