Gosford Hill School Congratulates Its 2025 GCSE Students

Gosford Hill School is pleased to report some outstanding achievements by its Year 11 students in their GCSE examinations this summer. As a result of student's achievements, they are progressing to some brilliant destinations, including Gosford Hill School Sixth Form or taking up places at local colleges and apprenticeships.

Will was delighted with his outstanding results

Lois-May shares her joy with her Mum

Flora reflects on her achievements

Ruben was pleased with his excellent grades

Many of our students achieved excellent results, and we are incredibly proud of the achievements of each individual. Nearly a quarter of all grades awarded to students at Gosford Hill School were grade 7 or above.

Of particular note, we want to highlight the results of Flora M, achieving 10 qualifications, with 9 at a grade 9. Seb M achieved 8 grades at grade 9 or equivalent. Will G achieved an impressive 4 grade 9s and 4 grade 8s. Matthew H achieved 3 grade 9s and 4 grade 8s. Rio M achieved 6 grade 9s, despite joining us midway through Year 11. Ruben M achieved 5 grade 9s

and 3 grade 8s. Olga achieved 9 qualifications above a grade 8, including 4 grade 9s in her 11 subjects. Margot H achieved 8 grade 8s and Lois-May G achieved 6 grade 8s and a grade 9.

There was much to celebrate across all of our subjects, with nearly 90% of students in each of Biology, Chemistry and Physics achieving a strong pass (Grade 5+). The subjects with the highest percentages of standard passes (Grade 4+) were achieved in Drama, Food, French, German, Maths and English Language.

Margot did tremendously well in her GCSE exams

**GOSFORD HILL
SCHOOL**

We are incredibly proud of these achievements as well as those of all of our students. Their hard work, resilience and dedication to their studies has resulted in some outstanding results and they all richly deserve their success. There were many other success stories and we want to thank the students for all of their hard work during their time at Gosford Hill School and wish them every success for the future. We also want

to thank the families for supporting the students and finally the staff at Gosford Hill School who have worked tirelessly to help the students fulfil their potential.

Headteacher Nigel Sellars said: "We are immensely proud of all the work and achievements of our students, and warmly congratulate them on their success. Colleagues have worked tirelessly to ensure that students are all able to progress onto further education and study, and I'd like to thank them in particular. We look forward to seeing what they will achieve in the future, with many returning to take up a place in our Sixth Form."

For students looking at their future secondary school places, it's an exciting time to be joining Gosford Hill School as it is widely known that Gosford Hill School is fortunate to be the first school in Oxfordshire to be part of the Department for Education's School Rebuilding Programme. Work is due to start on site during the next academic year.

Like many schools across the country, Gosford Hill is working hard to support improving attendance, and our Year 11 results confirm that students who are in school routinely have achieved excellent results, with many of these students achieving qualifications that place them in the top 20% of the country. Combined with our strong A Level Results last week, this demonstrates the potential for future students joining us.

Our Open Evening is on Wednesday 24th September from 6pm to 8:30pm, with a talk from the Headteacher at 7:30pm for those families with children in Year 5 and 6. For further information, please see the school website.

Rio was very pleased with his grades

Matthew and Will celebrate their superb results

Smiles all around at fantastic results
