Dear Parents and Carers,

Re: Year 7 Mathematics – Programme of Study

Please find attached the programme of study for your child in Year 7 Maths. This is so you are aware of what is being taught each term.

I would also encourage you to check that your child is completing their Sparx homework each week, as this is also linked to their scheme of learning.

If you have any questions please let me know.

Kind regards,

Mrs A Carney
Subject Leader of Mathematics
