Tuesday 2nd December 2025

Dear Parents and Carers,

Re: West Oxfordshire Schools Careers Fairs 2025-26

This is a reminder about our upcoming **Exploring Careers Fair**, which was recently advertised in the Parent Bulletin and on Google Classroom. The event will take place on **Wednesday 3rd December, from 5.00pm to 7.30pm**. This is one of two career fairs we are organising for students to attend during this academic year. As a key partner in the **West Oxfordshire Schools Careers Partnership**, Gosford Hill School is pleased to be taking part in this event, which is once again being kindly hosted by **Abingdon & Witney College** at their **Witney Campus, Holloway Road, Witney**.

More than **45 exhibitors** will be present, including further education colleges, universities, apprenticeship providers and employers. They will be available to speak directly with students and parents/carers about the opportunities they offer, as well as the career pathways linked to their sectors.

The fair is an excellent opportunity to explore post-16 and post-18 options, learn about apprenticeships, and gain insight into what employers look for in future recruits. It is also a valuable chance to help inspire students who may be unsure about their next steps, and to enquire about **work experience placements**, particularly for those in **Years 10 and 12** who still need to secure one.

Exhibitors will represent a wide range of industries, including engineering, health, law, construction, finance, care, hospitality and education. Please note that the exhibitor list is subject to change.

To attend this exciting local event, students should [register here](#).

Date for your diary:

Our next event will be the **Apprenticeship Recruitment Fair**, held at **The Marlborough School, Woodstock**, on **Thursday 12th March 2025**. Further details on registration will be shared in due course.

Yours faithfully,

Mrs S Zajac
Careers Lead
