

KEY STAGE 3 ART ASSESSMENT GRID

ASSESSMENT BAND	DEVELOP / IDEAS	REFINE / MAKE	RECORD / MAKE	PRESENT / EVALUATE
Emerging	Some ability to develop ideas through planning, research and recording	Some ability to refine ideas. Some ability to experiment with materials, techniques and processes	Some ability to record ideas, observations and thoughts through drawing and annotation	Some ability to present a personal and meaningful response. Some ability to show understanding of visual language (evaluating)
Developing	A moderate ability to develop ideas through planning, research and recording.	A moderate ability to refine ideas. A moderate ability to experiment with materials, techniques and processes.	A moderate ability to record ideas, observations and thoughts through drawing and annotation.	A moderate ability to present a personal and meaningful response. A moderate ability to show understanding of visual language (evaluating).
Expected Standard	A moderate ability to develop ideas through planning, research and recording.	A consistent ability to refine ideas. A consistent ability to experiment with materials, techniques and processes.	A consistent ability to record ideas, observations and thoughts through drawing and annotation.	A consistent ability to present a personal and meaningful response. A consistent ability to show understanding of visual language (evaluating).
Working Beyond	A highly developed ability to develop ideas through planning, research and recording	A highly developed ability to refine ideas. A highly developed ability to experiment with materials, techniques and processes.	A highly developed ability to record ideas, observations and thoughts through drawing and annotation.	A highly developed ability to present a personal and meaningful response. A highly developed ability to show understanding of visual language (evaluating).
