Dear Students and their Parents and Carers,

Re: Apprenticeship Recruitment Fair at The Marlborough School, Woodstock Thursday 12th March 2026 from 6pm to 8pm

Gosford Hill School is a key partner in the West Oxfordshire Schools Careers Partnership and we would like to invite you to our **Apprenticeship Recruitment Fair** being held at the Marlborough School from 6.00pm on Thursday 12th March.

At this time of year students in Years 10, 11 and the Sixth Form will be seriously considering their future career pathways. An increasingly popular option for consideration is apprenticeships which provide the opportunity to gain a recognised qualification, even leading to a degree, whilst earning a salary, supported by some of the UK's top companies. **These events are a great opportunity to find out what's available, what employers are looking for and how to stand out in applications.**

The evening will start with a presentation held in the **Library** at 6pm where you will hear from current apprentices working within local businesses from different sectors.

Following the presentation, a large variety of exhibitors will be based in the MEC and sports hall, consisting of employers, training providers and colleges with many live vacancies, who will be happy to talk to you about the variety of apprenticeship opportunities and advise you on the processes involved.

Employment sectors attending include; Adult Social Care, Aeronautical Engineering, Business, Civil Engineering, Construction, Electrical, Engineering, Site Management, Hair & Beauty, Health Care, Hospitality, IT & Website management, Manufacturing, Marketing, Plumbing, Research & Development, Sport, the Armed Forces and many, many more.

We would appreciate knowing if you are attending by completing the google form here
<https://forms.gle/ZrBni9ymaMDWLJRk7>

We very much look forward to seeing you.

Yours faithfully,

Sue Zajac
