

Admissions Policy for Gosford Hill School Sixth Form 2027-28 16-19 Provision (Years 12 and 13)

Introduction

Gosford Hill School is an 11-18 comprehensive school which aims to provide excellent education to all students. The School is an Academy managed by the River Learning Trust.

This policy has been approved by Gosford Hill School Governing Body and the River Learning Trust Board of Trustees, the body responsible for admission arrangements and decisions. These arrangements come into force for admissions planned for 2027-28.

This policy is for entry to the Sixth Form where applications are made directly to the school; the policy for entry to 11-16 Provision (Years 7 to 8) is available separately where applications are part of the Oxfordshire Local Authority co-ordinated scheme and further details of this process, including important dates can be found at:

<https://www.oxfordshire.gov.uk/cms/content/secondary-school-applications> .

Further details on how to make an application for entry to the Sixth Form (Years 12 and 13) can be found at: <https://www.gosford-hill.oxon.sch.uk/sixth-form/sixth-form-prospectus/>

Admissions Numbers

- I. All students in Year 11 at Gosford Hill School who meet the academic entry criteria are entitled to a place in the Sixth Form.
- II. Places are available for at least 20 external applicants.

Admissions Arrangements

- i. Gosford Hill Sixth Form encourages applications from students currently at Gosford Hill School as well as students from other institutions.
- ii. The academic entry criteria are the same for both internal and external applicants
- iii. All applicants must complete the online application form and send this to the Sixth Form Administrator by the designated date (usually the start of February).
- iv. All information relating to applications is contained within the Sixth Form prospectus, a copy of which can be found on the school website.
- v. A Sixth Form Open Evening is held annually (in January) and all potential applicants are encouraged to attend.
- vi. Internal applicants will receive guidance prior to completing their application. External candidates may have a guidance meeting with a member of staff after receipt of their application. The guidance meeting will only be used to discuss options and academic entry requirements for particular courses.
- vii. The school aims to inform applicants whether or not they have been successful in their application by the Easter break/ end of Term 4.

- viii. Students wishing to study a subject at another institution should indicate this on the application form. Gosford Hill School will facilitate this where possible and no further application is required.
- ix. For successful external applicants, a formal written acceptance of the offer will be required by the date indicated in the offer letter. Should a student fail to accept the offer by this date the school reserves the right to withdraw the offer of a place in the Sixth Form.
- x. All applicants who have been offered a conditional place will be invited to attend the Sixth Form induction programme (in late June / early July) and confirm subject choices once students have received their GCSE results in August. Should a student fail to confirm subject choices without good reason the school reserves the right to withdraw the offer of a place in the Sixth Form.

Admission Requirements: Academic Entry Criteria

- i. Admission to particular courses will depend upon availability of places and a student's prior attainment at GCSE (See appendix A).
- ii. Our policy is to ensure that students accepted into the sixth form can be placed in appropriate courses where they are likely to succeed. For this reason, the following entry criteria apply to the courses offered.
 - All students will require an average GCSE point score of 4.5, or above. This must include a minimum of grade 4 in both English (language or literature) and mathematics GCSE. Please see appendix B for an explanation of how points towards this measure are accrued. To calculate your average point score, choose your top 8 performing results, add up the point values and divide by 8.
 - Many courses have additional subject specific criteria which are detailed in our course prospectus.
 - Offers of places are made for admission into the sixth form and are not offers to study a specific course of subjects.
 - For in year admission to the sixth form any applicant must meet our GCSE entry requirements. An application form should be completed, and if a place is refused then a right of appeal arises.

Allocation of Places and Oversubscription Criteria

In recent years, Gosford Hill Sixth Form has been oversubscribed. Where external students meet the admissions requirements places will be offered in the following order of priority:

- 1) Looked After Children and previously Looked After Children including those previously in state care outside England
- 2) Other external applicants
 - For each category, priority will be given to students living nearest to the school as measured by straight line distancing.

- Tie breaker - Where the distance between two children's homes is the same, random allocation will be used to decide between them.

Closing Dates and Late Applications

Internal applications received by the closing date will be considered before all subsequent external applications. Late applications will only be considered if places become available in all subjects requested at the time of receiving the application; if a place in all subjects is not available the application is held on the waiting list.

Waiting Lists

If we are unable to offer applicants a place based on the details described in this policy, the school will hold a waiting list until 31st December in the year of school admission. Each application is ranked on the waiting list as determined by the oversubscription criteria (see above) and should a place become available applicants may be contacted.

Appeals Process

If an applicant is refused a place and wishes to make an appeal, they or their parents/carers may do so.

In relation to appeals that relate to a student not having secured the entry requirements, the student or their parents may write to the Headteacher and Head of 6th form, stating why they feel that there are mitigating circumstances which should be taken into account. This mitigation may involve, but not be limited to, one or more of the following:

- Special Educational Needs
- Significant underperformance against predicted outcomes
- Significant medical issues which impacted on a student's performance
- Other factors which may have led to a student not performing in line with expectations.

It is important that the mitigation is enough to explain why a student has not secured the entry requirements. In such cases, the appeal will first be considered by the school which reserves the right to use its discretion to offer a place to that applicant, in line with the oversubscription criteria.

Should such an appeal be turned down, or appeals that relate to the applicant not having received a place due to the administration of the oversubscription criteria, applicants and their parents/carers have a right of appeal to an independent appeals panel administered by the Local Authority.

Appendix A: Specific Course requirements as at November 2025

Subject	Subject grade/entrance criteria 2027-28
Art	Students are expected to have achieved a grade 4 or above at GCSE in art or graphics.
Biology	Students are expected to average grade 6 or above in the three science subjects if studying triple science, and at least a 6 in the science they want to study. If the student is studying combined science they are expected to have achieved 6-6 grades or above.
Business Studies	No specific requirement beyond entrance requirements.
Chemistry	Students are expected to average grade 6 or above in the three science subjects if studying triple science, and at least a 6 in the science they want to study. If the student is studying combined science they are expected to have achieved 6-6 grades or above.
Computing	Students are expected to have achieved a grade 5 or above at GCSE in mathematics, and a grade 5 or above at GCSE in computing. Students wanting to study this subject without a GCSE in computing can do so on successful completion of a computing entrance assessment, for which resources will be made available as part of 6th Form Induction.
Design Technology	In most cases, students are expected to have achieved a grade 4 or above in resistant materials, graphic products or textiles.
English Literature	Students are expected to have achieved grade 6 or above in English Literature and grade 5 or above in English Language.
French	Students are expected to have achieved grade 6 or above in French.
Further Mathematics	Students are expected to have achieved grade 7 or above in mathematics; 8 is desirable for this challenging course.
Geography	Students are expected to have achieved grade 4 or above in geography.
German	Students are expected to have achieved grade 6 or above in German.

History	Students are expected to have achieved grade 4 or above in history.
Mathematics	Students are expected to have achieved grade 7 or above in mathematics.
Mathematics AS	Students are expected to have achieved grade 6 or above in mathematics.
Music	Students are expected to have achieved grade 6 or above in GCSE music, or grade 6 in ABRSM theory and instrumental exams.
Philosophy and Ethics	No specific requirement beyond entrance requirements; grade 4 or above in P and E or similar GCSE (eg history, sociology) is an advantage.
Photography	In most cases, students are expected to have achieved grade 4 or above in GCSE art, graphics or iMedia.
Physical Education	Physical Education No specific requirement beyond entrance requirements.
Physics	Students are expected to average grade 6 or above in the three science subjects if studying triple science, and at least a 6 in the science they want to study. If the student is studying combined science they are expected to have achieved 6-6 grades or above. Students are also required to study either A level mathematics or AS level mathematics alongside this subject in sixth form.
Psychology	Students are expected to have achieved grade 5 or above in mathematics, and at least two grade 5s in science.
Sociology	No specific requirement beyond entrance requirements; 4 grade or above in sociology GCSE is an advantage.
Drama & Theatre Studies	Drama & Theatre Studies In most cases, students are expected to have achieved grade 4 or above in GCSE drama.

To be reviewed annually

Appendix B: Point Scores available per Grade

Entry Requirements

All students will require 38 GCSE points in their highest 8 GCSEs. This must include a minimum of grade 4 in both English (language or literature) and mathematics GCSE.

GCSE Grade	Points Awarded	Old GCSE Grade	Points Awarded
9	9		
8	8	A*	8.5
7	7	A	7
6	6	B	5.5
5	5	C	4
4	4	D	3
3	3	E	2
2	2	F	1.5
1	1	G	1
U	0	U	0
