RLT Stakeholder Survey for Parents and Carers.

ALL

As the deadline for the RLT Stakeholder Survey draws nearer and we reach the final straight, we're sitting in joint second place (with **338** responses representing **40%** of our parents and carers). This is only marginally behind the RLT secondary school with the highest percentage of completed surveys by parents at 41%! If you haven't yet had the chance to complete the survey, we would really appreciate you taking a couple of minutes to complete it. [The link is here](#) and responses close at 6:00pm tonight.

Ofsted – Thank You

ALL

I just wanted to take a moment to say a huge thank you to the many parents who emailed in to wish us well with the recent Ofsted Inspection and to thank colleagues at Gosford Hill School for all that we do for your child/ren every day. It was really lovely to receive so many messages of support and encouragement and we particularly enjoyed the cakes and doughnuts that some parents sent in.

I also wanted to mention how impressed I was with the immense pride that our young people showed in our school. The inspectors commented on how polite and eloquent they are. Well done!
