Students' Contact Details – Importance of keeping up-to-date

ALL

Please ensure that the contact details we hold for your child(ren) are up-to-date. The school **must** be informed of changes to any contact details, such as change of address or telephone number. This is important for safeguarding purposes as well as school communications. You can use the MyChildAtSchool (MCAS) app to view the contact details that we hold for your child(ren) and request any changes as necessary.

Bring a Grown Up! – FREE Family Learning Workshops at Gosford Hill School

Throughout the academic year, Gosford Hill School hosts a series of fun family-oriented learning sessions, during which we invite **primary school-aged children in Years 4-6** to 'Bring a Grown Up!' and try something new!

ALL

Use Science to problem-solve, practice new German vocabulary, create some Valentines-themed crafts, cook up some tasty treats in the kitchen or learn about our beautiful planet at one of our free family learning workshops.

[Please click here](#) to learn more or to book. Places are limited so please book sooner than later to avoid disappointment. All sessions start promptly at 4pm and run for an hour.

Please note that only one ticket is required to be booked to enable participation for one child and one accompanying parent. Should you need help with ticket booking, please give us a call on 01865 374971.

Delivered by The Smallpeice Trust

**SUMMER OF STEM
2026**

28-31 Jul	Scotland	Engineering Experience (Virtual)
28-30 Jul	University of South Wales	Engineering Experience (Residential)
4-6 Aug	University of Stirling, Scotland	Engineering Experience (Residential)
4-7 Aug	University of Southampton	Biomedical Engineering (Residential)
11-13 Aug	Loughborough University	Girls into Engineering (Residential)
11-13 Aug	University of Bath	Explore Engineering (Residential)
12-14 Aug	Queen's University, Belfast	Engineering Experience (Residential)

Our expert STEM team will be travelling across the UK this summer, bringing you hands-on engineering courses designed to inspire curiosity, creativity and confidence.

With residential and virtual options available across England, Scotland, Wales and Northern Ireland, enjoy a full social experience with like-minded people or join from the comfort of your own home.

We'll explore practical projects and problem-solving challenges based on real-world engineering, in a safe and supportive environment.

Bursary places are available on application, and spaces are limited, so early booking is recommended.
