Dear Parents and Carers,

Re: Uniform Update – September 2026

You will be aware that we have been working with our community over recent years to adjust our uniform policies to suit the needs of all stakeholders. Our uniform is a crucial part of being part of a community. We believe that a smart uniform is central to the school ethos where every learner is encouraged to do their best.

Whilst our uniform reflects a learning environment, we also want to achieve a balance of comfort and practicality for students, and reasonable costs for parents and carers. As a result, the Governing Body have approved some alterations to our policy, from September 2026. This information is being updated on our school website where you will find full details.

In response to community feedback, these alterations include replacing our school blazer with the Gosford Hill branded school jumper.

From September 2026, students in must wear:

- A Gosford Hill School branded jumper with badge. *Students in Years 8-11 can continue to wear their school blazer instead of, or in addition to the jumper if they wish to do so.*
- Short or long sleeve, white formal collared shirt.
- Clip-on school tie.
- Black trousers, skirt or tailored shorts.
- Plain white or dark (black or grey) socks or tights. Tights, if worn will be plain black and at least 40 denier.
- Plain black leather-style footwear will be worn. This footwear should be suitable for all weather and have black laces if appropriate. There should be no markings or logos of other colours.

A reminder that our main school uniform can be purchased from [PMG Schoolwear](#) and our PE kit from [Stevensons](#).

We appreciate your support in preparing students to be wearing the full and correct uniform every day.

Yours sincerely,

Mr C Bateman
Deputy Headteacher
