

**Gosford Hill Sixth Form
Bridging Work Summer 2026**

A Level Subject: Biology
Teacher(s): Ms Sweeney

Please complete the work set below over the summer.

Task Description	Resources needed	What is expected for the first lesson in September 2026
Complete the activities outlined in the transition booklet	Make a head start to success in Biology A level by working through <u>this workbook</u> . You should aim to complete the questions at the bottom of each page. This will ensure you have a really solid foundation to build upon when you start the course in September.
