Enrichment Day – Tuesday 14th July

Year 7-10

This year, our Enrichment Day will be on Tuesday 14th July. Students across Years 7 to 10 will step away from the normal curriculum on this day to participate in a whole-school 'Time Attack' challenge, run by the award-winning Wiseup Team Building group. The day is fully supported by school staff and dedicated instructors to help students build resilience, team-working skills, and a sense of belonging.

The cost for the event is £22 per student, payable via ParentPay. Please ensure that you have paid for your child to participate if you haven't already. This exciting event is for all students in Years 7 to 10, with the exception of those going on the Year 7 Residential Trip to France or the Creative Arts Trip. More details can be read in the letter from Mr La Porte.

Parents CAN
Connect & Natter

“A supportive space run by parents, for parents.”

All parents need support sometimes, but it's not always easy to find. That's why we've set up a friendly support group for GHS parents to 'Connect And Natter' over tea and coffee. Meet others who understand the ups and downs of parenting, share advice, and find encouragement under the support of our school counsellor.

Guest speakers will offer helpful insights, and you can stay connected between meetings through a dedicated Facebook group. Sessions run once a term from 9:15-10:45am in TR1 at Gosford Hill School.

You can scan the QR code below using your smartphone camera to request access to our private Facebook group.
