Thursday 2nd July 2026

Dear Parents and Carers,

Re: Year 12 Enrichment Day – Tuesday 14th July 2026

The normal timetable for the whole school will be suspended on Tuesday 14th July in order to give students the opportunity to participate in a variety of alternative activities that allow students to learn, lead and be inspired.

Tuesday 14th July 2026: Students will visit Oxford for an Oxford Scavenger Hunt, followed by punting in the afternoon. The aim is for students to appreciate and learn more about the cultural history that surrounds us, whilst having fun. The second part of the day will be punting on the Thames; an opportunity to learn a new skill and work as part of a team. Students can either meet the Sixth Form Leadership Team by 9:30am outside the Old Fire Station (in the square behind Gloucester Green Bus Station) or meet at school in Sixth Form to catch the public bus together. Similarly, students can make their own way home after punting or return to school with us. Please indicate your choice of transportation to Oxford on the consent form. With safety in mind, students must be able to confidently swim 25 metres to participate in this activity.

To cover the cost of Punting, we will need to ask for a contribution of £7.00. It should be a really enjoyable learning experience for the students and I am very much looking forward to taking part in the activities myself. **All students are expected to take part.** Please pay and give consent via ParentPay by Monday 6th July.

If there are any problems, or if you have any questions about these activities, please do not hesitate to contact us. It should be a really enjoyable experience for the students and staff alike and I am very much looking forward to it.

Yours sincerely,

Miss J Brimble
Head of Sixth Form
