Dear Parents and Carers,

Re: Trips and Visits at Gosford Hill School

At Gosford Hill School, we like to offer as many opportunities for extra-curricular visits as possible. As a school, we are mindful that there are costs to these visits. To enable families to plan ahead, the list below shows some of the trips and visits available for students who will be in Years 7-13, along with the approximate cost.

Passports

To be able to go on any of the visits abroad, a valid in date passport is required along with necessary visa as applicable. If your son or daughter is likely to be interested in these visits, please ensure they have an up-to-date passport. We do request a copy of the passport page to be sent in with the reply slip, however, if you are in the process of updating your child's passport, a copy of the old one is enough, until you can send in a copy of the new one.

Viability of visits

With visits of this nature, there has to be a viable number of students for the trip to go ahead. We try to avoid cancelling where possible, but if insufficient returns and deposits are received by the first deadline, we do have to review whether the trip can go ahead. Parents and carers can assist with this process in ensuring a timely return of permission slips and deposits. The finance team can always be contacted to discuss staged payments as necessary.

Kind regards,

Mrs T La Porte
